Growing Gladiolus has been a hobby of mine for quite a few years. A natural aversion to the destruction of bulblets resulted in my hobby growing into almost a full-fledged business. To return to the hobby status, I must dispose of the entire stock listed. That is why I offer a discount for orders covering entire stock of any varieties. I do not want a hodge-podge collection left over.

#####

TERMS OF SALE

Minimum acceptable order ----- \$ 3.00

Entire stock of any one variety ----- 10% off.

Entire stock of ten or more varieties ----- 15% off.

Entire inventory to one buyer ----- 25% off.

Cash with order.

All orders will be shipped prepaid.

Shipment any time after March 15th.

Generous count and liberal extras.

Bulblet packages will generally contain 50 to 100.

Bulbs have been sized generously.

Suggest that you specify substitute varieties in the event that any desired variety has been sold out.

All offerings are subject to prior sale.

All bulbs have been state inspected.

SATISFACTION GUARANTEED: I, of course, have not been able to inspect each bulb personally. If shipment is not entirely satisfactory, let me know. I insist on having satisfied customers.
